

Access to Apprenticeship Programme Information

The Access to Apprenticeship Programme is aimed at young men and women aged 16 to 24 living in Dublin who experience social and economic barriers. The Programme provides an opportunity for young people to;

- Sample a range of apprenticeships in; Construction, Engineering, Electrical, Motor and Aviation industries
- Prepare their CV and interview skills
- Undertake two weeks work experience
- Health & Safety and Safe Pass Certificate
- It is a 12 week full time course.

The purpose of the programme is to progress young people into apprenticeships.

A 12-week course will run in September 2019, Jan 2020 and April 2020.

Entry Requirements:
