APPRENTICESHIP**
www.apprenticeship.ie

What information does this document provide?

This document lists current apprentice employers by apprenticeship programme and by county/region. It is intended that the listing will assist potential apprentices and advisors such as guidance counsellors, parents and teachers to access apprenticeship jobs in their region. In addition, a number of current apprentice job vacancies are advertised on www.apprenticeship.ie.

This document is being made available as Stage 1 of information access for potential apprentices. Work is underway to integrate the information on apprenticeship employers by county/region into an interactive search function on www.apprenticeship.ie. The current document will be updated monthly until the interactive version is launched. Any feedback you may have can be submitted to apprenticeship@nao.ie.

How to use this document

Included in this document is the name of all current apprenticeship employers divided by region and then by apprenticeship programme (Accounting Technician, Electrical etc...). To find current employers in your area first locate your desired region followed by the apprenticeship programme you are interested in pursuing. Please be aware that the list of current employers can change. This list will be updated each month.

Want to know more about apprenticeship programmes?

For more information on an individual apprenticeship programme, including entry requirements and course duration, please go to www.apprenticeship.ie for confirmation information by industry area and programme, including frequently asked questions (FAQs).
